something different

The softening effect of natural foliage provides a **perfect backdrop** to dining areas and conference rooms alike.

Our range of floor standing live plants are supplied in a **choice of containers and styles**, with a surface dressing of Caledonian cobbles to complete the display.

# Plant displays

Contemporary stainless steel troughs and elegant brushed aluminium circular containers create a **classic, quality look** whilst the tall, natural ceramic 'Brunswick' containers in graphite or ivory provide a more **modern design**.
